Parent Payments Policy 2023 Parent Payment Arrangements

Bayswater Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for your support, either financial or volunteering of time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of art, science and physical education equipment and resources. This in turn supports them to be exemplary programs, together with our exceptional classroom teaching of the established subjects such as Reading, Writing and Maths.

Please find attached Bayswater Primary School's voluntary financial contributions schedule for 2023, which includes an overview of what your contributions will help us to provide. All necessary consumable items will be supplied directly to classrooms in bulk and will be distributed to students as and when they are needed.

Department of Education guidelines now mandate that schools are **UNABLE** to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Brooke Cross
Principal

Vicky Barlow
School Council President
