POLICY

School profile

Bayswater Primary School was founded in 1879 and has been an integral part of the Bayswater community for 140 years. Bayswater is an outer eastern suburb of Melbourne nestled at the foot of the picturesque Dandenong Ranges.

The school has extensive grounds that provide students with a variety of passive and active play areas including a large oval, soccer field and two full sized outdoor basketball / netball courts. The school also has indoor sports facilities including a school hall with a full sized volleyball court, a half sized basketball court and bat tennis courts.

Since the start of 2019 Prep-Gr 2 are now located in the Early Learning Centre providing state of art facilities. This building, delivered to us as part of the BER project is currently home to the Birch Street Kindergarten which is run and operated by the Knox City Council. Plans are in place to strengthen the relationships between the kinder and the school, thus providing an improved transition into Foundation.

Permanent buildings provide rooms for generalist classes as well as an Instrumental Music program, Languages & Intercultural Capabilities, Health & Physical Education, Additional Assistance and Buddies with venues for community groups and meetings. 2016 saw the reintroduction of a Visual Arts program back into Bayswater Primary School, which was driven in part by the student feedback component of the School Self Evaluation.

As a collective, we will revisit all areas of the curriculum over the term of this plan, identifying areas for improvement and most significantly, adopting whole school approaches to curriculum planning, design and implementation. Each staff member strives to develop a love of learning by providing an effective and engaging learning community, which promotes social competencies and holds students to high expectations.

The school recognises the importance of family and community partnerships fostering close links to parents and the broader school community. This partnership promotes a cooperative school culture where the child is at the heart of everything we do.

School values, philosophy and vision

Bayswater Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

Our Statement of Values is available online at: <http://www.bayswaterps.vic.edu.au>
